TULSA ART DECO

Tulsa boasts one of the nation's best collections of gorgeous Art Deco architecture, ranging from ZigZag to streamline. Join us on a TFA Art Deco tour to learn what makes our city so different, and see beauties such as the Tulsa Club and the Pythian Building up close and personal. Take home a copy of "Tulsa Art Deco", our beautiful coffee table book, to complete your Art Deco experience.

OIL BARONS & ARCHITECTURE

Learn more about the oil barons and bankers who built Tulsa, and how they showed the world their success using the power of architecture and design! These giants and their architects transformed the Deco District into an eclectic mix of skyscrapers that range from 16 to 52 stories.

PRESERVATION SUCCESS STORIES

Many vacant and underutilized buildings have found new life through the Historic Tax Credit program. This tour highlights some of our many preservation success stories, such as the Mayo Hotel, the Y Lofts, the much-loved Philtower, and the Tulsa Club Hotel.

A 501c3 nonprofit organization, Tulsa Foundation for Architecture champions the art of good design and celebrates Oklahoma's architectural heritage through education, advocacy, and archives.

MODERN TULSA

Tulsa's architects emerged from the Art Deco era and embraced the modern style wholeheartedly. As a result, Tulsa boasts an impressive collection of Mid-Century structures. Learn about the Modern Movement in downtown Tulsa, including the Civic Center historic district and the beautifully reimaged Central Library.

THROW BACK TULSA

Explore the Original Townsite - Tulsa's first downtown - which is now our vibrant Arts District. Home of award-winning Guthrie Green, the Woody Guthrie Center, and icons such as the Brady (Tulsa) Theater and the Cain's Ballroom, this community of three historic districts has built on its past as it shapes Tulsa's future. Learn about the past lives of the buildings we love today.
